BOOM CARDS FOR YOUR SCHOOL DISTRICT

Do Your Educators Use Boom Cards?

Chances are, yes. **1.4 million** educators do, but most pay out-of-pocket.

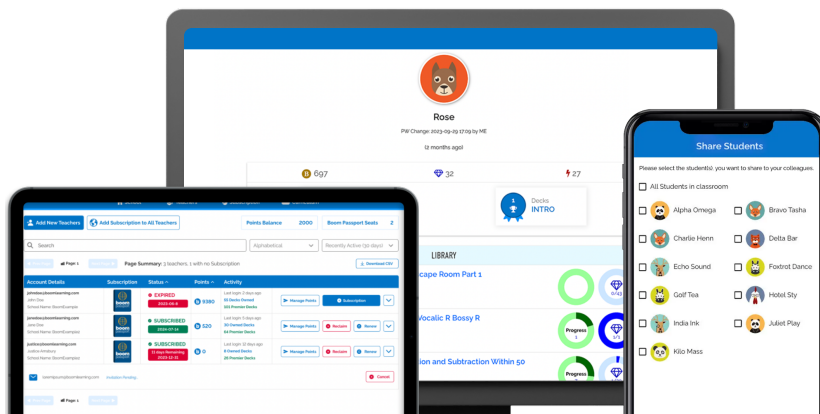

Boom Passport changes all that by providing super-low-cost access to Boom Cards for your entire district or a subset of classrooms.

Arm your teachers with more than 75,000 interactive learning activities and supplemental lessons vetted for evidence-based pedagogy and accessibility.

Connect your school or district to a powerful, adaptive curriculum focused on the entire range of academic subjects for K-12.

75K INTERACTIVE LEARNING ACTIVITIES

VETTED FOR PEDAGOGY & ACCESSIBILITY

Sharing Made Easy

Teachers in your district can share lessons, data, and students with their intervention team to ensure updated communications about their students' growth.

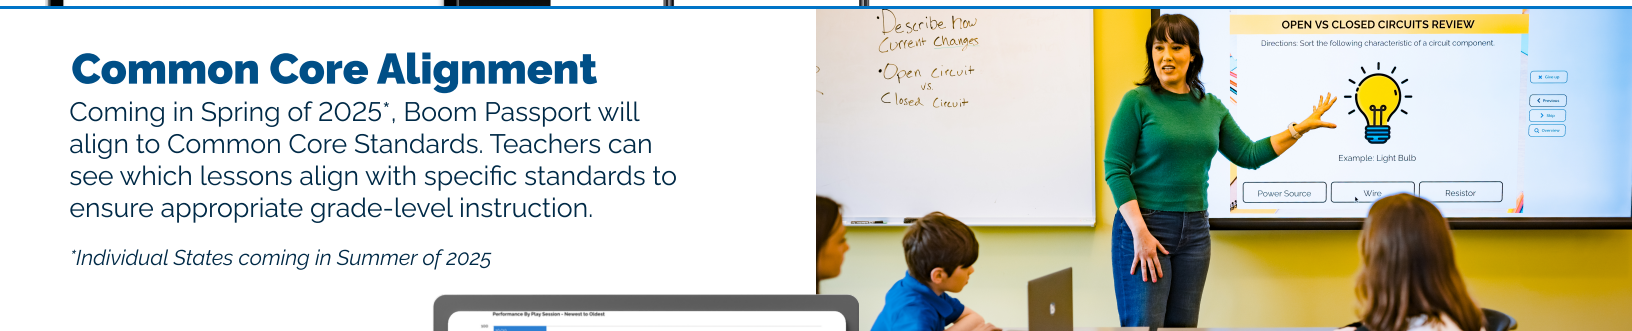

Administrator Access

School or district administrators can assign licenses to their educators, monitor educator and student usage, and view student outcomes.

Common Core Alignment

Coming in Spring of 2025*, Boom Passport will align to Common Core Standards. Teachers can see which lessons align with specific standards to ensure appropriate grade-level instruction.

**Individual States coming in Summer of 2025*

Advanced Data Tools

Get built-in live data collection tools for tracking students in real time, making it perfect for IEP monitoring. Also comes with self-grading solutions.

PRICING

Get Boom Passport for only \$299 per educator for an annual subscription. Volume discounts are available!

Please call **833-WOW-BOOM (833-969-2666)** or contact us at sales@boomlearning.com for more information and a demo. Visit info.boomlearning.com for more info.

WHAT ARE boom cards?

BUILD YOUR OWN INTERACTIVE LESSONS WITH THE BOOM STUDIO

boomstudio

Create unlimited lessons or activities to meet the unique needs of all your students with sounds, videos, and images, and share your decks with any Boom Passport user in your district!

boomstore

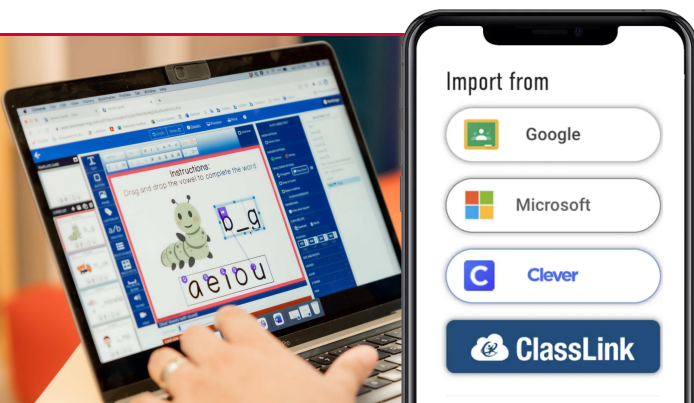

If school policy allows, purchase low-cost educational content in the Boom Store, where you can choose from over 500,000+ decks.

boomlive

Collaborate in real-time with Boom Live! Multiple users can play together, and educators and therapists can work with their students individually or in a group setting, whether in person or virtual.

HERE ARE JUST SOME FEATURES OF BOOM CARDS:

- ★ **MULTIPLE QUESTION FORMATS:** Fill-in-the-blank, multiple choice, drag-and-drop, and more!
- ★ **INK:** Students and teachers can "write" directly on Boom Cards
- ★ **VOICE MEMO:** Students can record themselves and play back to practice pronunciation, fluency, social engagement, and public speaking
- ★ **ANIMATED GIFS:** Use animated GIFS to engage students and focus their attention
- ★ **CHAIN IMAGES:** Stop-motion animations showing step-by-step processes
- ★ **VIDEO AND AUDIO:** Multimedia support, including audio instructions for non-readers

Tech Requirements & Integrations

No worries about what platform you're on! All lessons in Boom Passport are device-agnostic, and teachers and students can interact using any web-based device, from a phone to a tablet to an interactive whiteboard. Boom Passport also supports single sign-on and rostering via Google, Canvas, Clever, Microsoft, and ClassLink.

SAML integrations available upon request with a minimum purchase.
